NO 1, Feb '86

Dear Member,

Thank you for joining Jews For Justice. As South Africans we all realise the difficulties facing us in the year ahead. We feel, both as Jews and as citizens, the importance of being part of the process of finding solutions to these difficulties. We hope JFJ will provide that forum, and that the understanding we gain will enable positive contributions to be made.

Since the committee was elected at our A.G.M. in December, we have had two committee meetings. An executive was elected, and plans for future action discussed. The following people are on the executive:-

Bennie Miller
Vice-chairperson

Jill Rosenfield
Chairperson

Denis Davis
Vice-chairperson

Derek Meyer
Publicity Officer

Brian Segal
Secretary

Michael Felthun
Treasurer
