CONSCRIPTION GROUP.

This group met for the second time and organised a seminar on the 26 February, entitled War and Conscience in South Africa. The seminar was addressed by Dr. Ivan Thoms and Ms. Paula Hawthorn of the End Conscription Campaign. The seminar included a slide tape show and a talk on a range of topics including a history of conscientious objection, the changing role of the SADF and alternatives to military service.

As we recognise that these issues affect us all and therefore require in depth discussion, we will be organising further meetings. If you would like to join this group or require any further information, please contact Anton, Ph. 47 7946.

CAMPUS GROUP.

If you wish to be involved, please contact Derek, ph. 69 4266.
