

Fine hockey star

RAYMOND FINE is the first KDHS boy ever to be selected to play hockey for Southern Transvaal Schools. He will take part in the inter-provincial tournament at Bloemfontein in July.

● Raymond has been awarded colours and honours in recognition of his selection. It is only three years since boys' hockey was started at King David.

ROOKIES, 1964

NEW PREFECT

The Headmaster announced last week that Jeffrey Kalwerisky had been appointed a prefect.

50-50 CLUB

The April and May allocations of the 50-50 Club were won by Mr. F. Simon and Mrs. E. Judelman respectively.

When the June allocation was done, Mrs. Judelman's name came up again; the lucky lady has now been a 50-50 winner three times!

Mr. A. Levenstein was the July winner.

IT'S GOOD—
VERY GOOD—
IT'S NESTLÉ!

Awards

GAMES, cultural activities and "academics" are inseparable in any institution which boasts a balanced education. For this reason, the time-honoured practice of awarding colours (half-blue) and Honours (full blue) is extended to fields other than sport at KDHS. In the armed services and in public life, distinguished service, devotion and bravery are suitably recognized. What the recipient has done is appreciated, and it is this recognition which may encourage others to aspire to service and higher endeavour.

Similarly, here, those who have worked consistently well, or played hard, conscientiously and successfully, or have rendered yeoman service to the School in divers spheres, are given due recognition. They are allowed to wear our attractively striped colours blazer. Outstanding achievement both academically and extra-curricularly (provincial selection, or occasionally exceptional qualities of leadership) earns the coveted Honours blazer.

Naturally, a lower standard of achievement is required for colours awards, so there must of necessity be more of these awards. This standard is above the average of one's teammates and the criteria are assiduous application, consistently good performances, and an ability to lose well and win modestly, and an indication that the potential recipient has made a concerted effort for his school.

It is understood that some fortunate pupils are generously blessed with innate intelligence or with superior athletic talent. Being so well endowed, they win these awards more easily. But there are many who overcome their lack of ability in any particular sphere by commendable determination, application, concentration and enthusiasm. These deserve to be rewarded. They give of themselves and their precious leisure to the School. They build a solid foundation of esprit-de-corps. Their colours awards are well-merited.

Because at our co-educational school awards are considered for twelve different activities, it may appear that too many are made. This is unjustified. For the information of those carping critics who disparage what they themselves vainly desire, this year only six Honours (four re-awards) and six colours awards have been made to date. Those who participate enhance their own and their school's reputation.

Teachers going overseas

MISSSES LORNA BEHRMAN and **Nora Ashworth** will be away on long leave next term, and their holiday itinerary will include England, the United States, Italy and Israel.

STAFF NOTES

"SEE what happens when you have grown-up children?" asked Mr. J. A. Morrison. "You turn your back for a moment, and they make a baby-sitter out of you!"

Mr. Morrison was telling The Davidian that his daughter, Mrs. J. Barclay, gave birth to a daughter on May 25; his first grandchild. Mazeltov!

● Mr. Sandler flew to Welkom on June 4, where he took part in a symposium on teenage problems.

Cutting short a year's leave during which he was to have visited the United States, Mr. Maish Zimmerman is rejoining the staff next term.

During their long leave, Misses Behrman and Ashworth will be relieved respectively by Mrs. R. Thorpe

KDHS RETAINS TROPHY

KDHS managed to retain the Inter-School Trophy for the annual encounter with Herzlia — like last year — by a slender two-point margin.

It was just as well the home side were able to beat Herzlia's 1st XV — for the first time since 1958 — in the Rugby clash. (In his elation, Mr. Sandler promptly announced a half-holiday.)

The score was 14-8, KDHS's tally consisting of tries by Lawrence Segell (two), Selwyn Neiman and Ralph Miller, plus a conversion by Allan Epstein.

● Features of the game were the magnificent leadership and hooking of Michael Fisher, and the intelligent fly-half play of Stephen Goldberg.

SOCCER!

On the final afternoon of the visit, an unofficial SOCCER match was played on the Rugby field. The Davidian's reporter also learnt the headmaster had given permission for a School vs. Staff soccer match the following day.

● Our reporter is not sure, but he thinks he heard Mr. Sandler mutter that his Rugby field would have to be disinfected and top-dressed.

Chosen for 'Vaal

CAROL MATUS and **Rilla Grace** have been selected to play for Southern Transvaal Schools "A" in the inter-provincial tournament to be held at Wynberg (Cape) on July 2. Carol and Rilla, who also played for their province last year, have been re-awarded Netball Honours.

TEACHERS SELECTED

Two teachers, Misses Nora Ashworth and Rhona Matus, are to play for Southern Transvaal "A" and "B" respectively in the senior netball tournament starting in Beaufort West on July 8.

HONOURS, COLOURS

Rugby Honours have been awarded to Michael Fisher and Stephen Goldberg. Roy Davis, Allan Epstein, Ralph Miller and Selwyn Neiman have been given Rugby Colours.

Ben Kaplan is the recipient of Service Colours. Elizabeth Gluckman won Debating Colours for her high standard in the English Symposium.
