

Jews for Justice's activities over the past three months have centred around the Crossroads Crisis. However we have been involved in other activities.

GENERAL:

- A successful housemeeting was held and we urge our membership to contact us if they would like to host further such meetings. Please contact either Glen at 497274 or Derek at 478537.
- JFJ was involved in organising an interdenominational service to show solidarity and support for the refugees from Crossroads. Rabbi Franklin read a prayer at the service.
- Anton Richman addressed the Labour Zionist Conference on the topic "Attitudes to the Jewish Community in the Black Communities".
- Our Chairperson, Jill Rosenfield, spoke at the Cape Council of the Jewish Board of Deputies' annual conference. She addressed the topic "The Jewish response to 1986" together with two other panelists, Rabbi Union and Mr I Pinshaw.
